

The events of the 3rd block week will take place live at the indicated times (Zurich time zone). For those who cannot participate live due to the time zone difference, additionally most events will be recorded and available via streaming for 48 hours. Details will follow in January 2021 and the schedule for the broadcasts can be found on pages 6 - 10 . Some instructors will be available live for Questions & Answers. The timetable for these 90-minute sessions can be found on page 11. Registration is not necessary for the Q&A sessions
