

Summer Intensive Study Program in Analytical Psychology online and streaming

July 5 – July 9, 2021

This Summer Intensive Study Program will offer a variety of concepts of Jungian psychology, their relevance for psychotherapy, for personal growth as well as for everyday life.

It is intended that lectures, seminars and discussions can be followed by those who are new to Jungian Psychology, but will at the same time be of value to those with professional psychological training and interests. The courses are taught by analysts of the Institute and internationally renowned guest lecturers.
